

**WISCOM Subject Matter Expert (SME) Update
February 13, 2019**

- Since my last report on November 14, 2018 I have conducted the following roll call exercises:

November 28- Roll Call Conducted at Ascension Eagle River Hospital- Eagle River

87% Participation, conducted at 4:00pm. Was able to contact Vilas Co Dispatch on RCALL41

December 13- Roll Call Conducted at Aspirus Wausau Hospital- Wausau

67% Participation, conducted at 11:50pm. Was not able to contact Marathon Co Dispatch on RCALL41 due to dispatch busy with real life emergencies.

December 17- Roll Call Conducted at Ascension St Mary's Hospital- Rhinelander

80% Participation, conducted at 6:30pm. Was able to contact Onieda Co Dispatch on RCALL41

January 12- Roll Call Conducted at Ascension Good Samaritan Hospital- Merrill

87% Participation, conducted at 6:00pm. Was not able to reach Lincoln Co Dispatch on RCALL41

January 29- Roll Call Conducted at Ascension St Clares Hospital- Weston

67% Participation, conducted at 10:00am. Was able to reach Marathon Co Dispatch on RCALL41

February 09- Roll Call Conducted at Ascension Sacred Heart Hospital- Tomahawk

73% Participation, conducted at 3:10pm. Was not able to reach Lincoln Co Dispatch on RCALL41

- Participated on 3 phone teleconferences regarding movement of radios at Marshfield Medical Center and Aspirus Riverview Hospitals.
- Participated on statewide WISCOM SME update and teleconference
- Working with Marshfield Medical Staff and Nielson Communications to get the WISCOM Radio installed, staff trained and ready before March exercise is the goal.

Thank You
